

Newsletter 19 - Week 1 Term 4 2026

PRINCIPAL - Kylie Vaughan

Published by Everton Park State School

Welcome to Term 4!

Term 4 is here, and we're officially in the final stretch of the school year!

A very warm welcome back to all our Everton Park families, and a special welcome to those families who have joined our school community this term. We're so pleased to have you as part of our school community.

We hope the school holidays provided everyone with an opportunity to slow down, recharge and enjoy some quality time together with family and friends.

I've been away from school this week on Long Service Leave, enjoying some special time with my family in Japan. I'm looking forward to returning on Monday and reconnecting with our school community, catching up with staff and families, and seeing our students back in their classrooms, ready for another term of learning.

There is certainly no slowing down at Everton Park State School, with Term 4 set to be a busy and exciting 10 weeks with lots to look forward to, including:

Year 5 and 6 students will participate in the *Life Education Program*, focusing on the changes that come with adolescence.

Our Prep and Year 6 buddies will take part in tree planting along Legacy Way. This meaningful tradition allows Prep students to watch their tree grow throughout their time at Everton Park, while our Year 6 students leave a lasting legacy.

Get ready to get messy at the P&C Colour Run!

We'll celebrate our grandparents at Grandparents' Day, inviting them into our classrooms to be part of the learning.

World Teachers' Day will be a chance to recognise the incredible work of our teaching team.

We'll promote personal safety and awareness with Day for Daniel activities.

Year 5 and 6 students will build teamwork and school spirit at Gala Days, while our Year 4s will enjoy Multi-Sports this term in preparation for joining Gala Days in 2027.

Year 3 families will receive important information about our iPad BYOD Program ahead of 2027.

We'll come together to honour those who have served at our Remembrance Day Service.

We'll welcome our 2027 Prep students during their transition visits.

Join us at the Music Extravaganza as we shine a spotlight on the talents of our student performers.

Our Book Fair will celebrate the joy of reading.

Year 5 students will complete their Leadership Process, with our 2027 student leaders to be announced in the last week this term.

Our Year 3 students will enjoy a day at Camp Warrawee.

We'll recognise outstanding achievement and effort at our Special Awards Assemblies.
It will be time for sun and splashes at our Swimming Carnivals.
We'll round out the year with festive cheer at our Christmas Carols event and market day stalls.
And finally, we'll farewell our Year 6 students as they graduate and prepare for high school.

A full list of all events can be found below in our school calendar for the term.

We encourage families to keep an eye on the newsletter and school communications throughout the term for reminders and further information about upcoming events.

Semester 2 Report Cards

Semester 2 Report Cards will be available to families via QParents on Wednesday, 9 December.

We will also celebrate the achievements and efforts of students in Years 1–6 who are receiving Academic Achievement or Academic Effort Awards at two special assemblies in Week 10:

Years 1–3 - Tuesday, 8 December, 9 – 10am

Years 4–6 - Tuesday, 8 December, 10 – 11am

We encourage families to **please keep these dates and times free** so you can join us in celebrating our students' achievements.

Parents and carers will be notified on Friday, 4 December if their child is receiving an award.

Get Ready for our P&C Colour Run

On Friday, 16 October, our P&C will be hosting a whole-school Colour Run from 2–3pm on the school oval.

Students are encouraged to wear white or light-coloured clothing that they don't mind getting messy, as they'll make their way through a fun obstacle course while being showered with non-toxic colour powder by our amazing volunteers.

Consent for this event was sent out at the end of last term. Please ensure you've provided permission via QParents so your child can participate in the fun.

If your child doesn't have a white or light-coloured outfit, no worries! Colour Run shirts and accessories are available to purchase in packs through Flexischools, and these will be delivered straight to your child's classroom on the days leading up to the event. Please note students should wear shorts that they can also get messy rather than their school uniform. Students are welcome to wear their Colour Run clothes to school all day.

The class with the most purchases via Flexischools will get to vote on a teacher to be slimed at the end of the Colour Run!

Our amazing P&C will provide sunglasses to all students on the day too!

A big shout out goes to Councillor Tracy Davis for her generous donation to make this event possible.

We'd love families to be part of the fun too. Come along, cheer from the sidelines, or volunteer on the oval to help with setup and throw some colour. If you'd like to be part of the action, sign up here:

www.volunteersignup.org/K3HEP

Let's make it a bright, fun-filled afternoon to remember!

Grandparents Day – Save the Date

We are delighted to invite all grandparents to join us for a special morning of fun and learning on Friday, 23 October, starting at 9am.

Grandparents are welcome to visit their grandchildren's classrooms from 9 to 9:30am, followed by a morning tea in the Hall.

We look forward to celebrating this special occasion and warmly welcoming our grandparents to the school.

2027 Enrolments

We would greatly appreciate you letting us know if your child/children, currently in Prep to Year 5, will not be continuing with us in 2027.

A key part of our workforce planning is tracking future enrolments, as this directly impacts our staffing allocations. Even small changes in numbers can affect staffing and our class construction moving into 2027.

To minimise any disruption and ensure a smooth start to the 2027 school year, it is important that we have as clear a picture as possible of student numbers. If you know your child/children will be leaving our school community at the end of this year, we kindly ask that you notify our administration team as soon as possible by emailing epssoffice@evertonparkss.eq.edu.au

Thank you for your support in this important planning process.

Cheerleading Auditions for 2027 teams

Term 4 –

Week 10 of Term 3 – will be the final rehearsal for Cheer Pups (Reserves), as 2027 auditions begin in Term 4.

Auditions – Term Four is a VERY busy time for Cheerleading. The Squad are heading into competition season and it is time to start preparing for the 2027 cheer season. This means that during Term Four, I will be holding Cheerleading tryouts for both the 2027 Cheer Squad teams.

Does your child want to be in the Cheer Squad/Reserves next year? We will be auditioning on a Monday morning. **This year ONLY those wishing to audition for the competing Cheer Squad need to attend the morning auditions.** If your child wants to do the Monday morning Pup Reserves next year, then they DO NOT need to audition – everyone will have a spot in the Pups team. Once auditions are completed, there will be NO more Monday morning Cheer sessions for the year.

Students from Prep to Year 5 are invited to try out. Auditions will be held on a Monday morning at 7.45am – in Term 4 – Weeks 2,3,4,5 (12, 19, 26 October and 2 November). Each week, there will be different skills assessed, so you need to attend all four audition sessions.

Cheer Auditions are open to everyone in the school – you DO NOT HAVE to be part of our current Cheer program to audition. The teams will be announced in Week 10 of Term 4. Email Miss Rogers at kroge8@eq.edu.au to let her know that your child would like to audition.

As there are limited spots available in the Cheerleading Squad, anyone who auditions and does not make this team will have a spot on the Cheer Reserves (Pups) team.

Here's some information to help you decide which team your child would like to try out for.

Squad – anyone selected for this team MUST attend cheer practises on Monday and Thursday afternoons 3-5pm. They learn two competing routines - cheer and pom. Routines include tumbling, stunts, lifts, balances and dancing. This team performs at competitions on weekends in Terms 3 and 4. Parents must pay the competition entry fees, costing approximately \$300-350.

Pups (Reserves) – this team practises on a Monday morning 7.45-8.30am. The focus is on learning a variety of cheer and dance skills. They will learn a dance routine created just for the Cheer Reserves. Students must attend every week.

If the opportunity arises, this team may do free public performances.

If you have any questions about cheerleading or the auditions, please contact me on kroge8@eq.edu.au.

P&C Executive 2026

Could you be our next P&C Executive?

Ever wondered what the P&C Executive actually does? You don't need to be an expert or have previous P&C experience – just a willingness to get involved and work as part of a team.

President – Provides leadership, chairs meetings, represents the P&C and helps guide fundraising, employment and business matters.

Vice President – Supports the President, chairs meetings when required and assists with P&C operations and fundraising.

Treasurer – Oversees the P&C's finances, presents financial reports, helps prepare the budget and works with our bookkeeper. *You don't need to be an accountant!*

Secretary – Keeps the P&C organised by managing agendas, minutes, emails and registers.

The Executive doesn't do everything themselves – there are sub-committees, volunteers and established processes to support you, plus a handover from the current Executive.

With all Executive positions needing to be filled at the AGM in February 2027 for the P&C to continue operating, we'd love to see some **new faces put their hands up!** If you've ever thought '*I could probably do that*' – **2027 might be your year to give it a go!**

Interested, or simply curious about what's involved? Email admin@evertonparksspandc.com and one of our current Executive Committee members will be happy to chat with you, explain what's involved and answer any questions you might have.
