

# Welcome to Everton Park State School!

The first question to consider when ordering uniforms is – 'How many days of the week would you like to cover?' We recommend a **minimum of 2 sets**, but many families opt for up to 5 sets to simplify busy schedules.

Everton Park State School has 3 houses for Sports Carnivals: **Walker** (Green), **Houston** (Red) and **Hinton** (Gold). We offer a separate polo for these sports houses. Students are also able to wear their house shirts every Friday and on the school day they have their scheduled PE class.

Our school backpack is very popular! It is made from high-quality materials and comes with a lifetime guarantee, covering the full 7 years of primary school.
